Draft Letter to MassDEP (without comments) - 9.5.2017 re june 30 2017 avx 21e phase 3.doc

Dave,

Here's a new version of the letter (w/o the comments), accepting all the changes so far. Are you comfortable with this version? If so, I'd like to send it to Audrey (and I can send it to Lynne too if you'd like me to) today so they have a chance to read it before tomorrow's meeting. (Kim, if you have comments on the letter, there will still be time to incorporate them.)

Kim, we are meeting with management (Lynne and Audrey) mainly to discuss how to roll out the interim cap. We are meeting at 2 in Mt. Lafayette on the 5<sup>th</sup> floor. I didn't think you would be interested but you are certainly welcome to join us if you want.
